Main Courses

Fajitas

Voodoo Café Fajita

Fajita is a classic Tex-Mex dish based on a Mexican cow hand meal of chicken or beef on skillet. We like to serve our version with warm small tortilla wraps and a selection of dips (cheese, sour cream, home made refried beans, shredded lettuce, sauce and salsa selection)

Chicken Fajita 14.95

Chicken inner fillets seasoned and grilled with peppers and onions, served on sizzling skillet

Beef Fajita 16.95

For our fajita we like to use a Ribeye steak (cut where the meat dictates rather than meat strips) lightly seasoned and cooked rare with peppers and onions

Burritos

Beef Burrito 11.95

Slow cooked, marinated beef shredded and rolled into a wheat flour tortilla with peppers, onions and cheese; oven baked and drizzled with sauce and sour cream. Served with Mexican rice, salad and salsas

Chicken Burrito 10.95

Chicken, peppers and onions marinated in Voodoo Cafe's own spice mix, rolled in a tortilla, oven baked with cheese and drizzled with sauce and sour cream. Served with Mexican rice, salad and salsas
